FINANCIAL SUPPORT FOR RESPITE CARE

Do you live in the Oxford area?
Could you benefit from respite care
to look after yourself or your partner?

We can help – with a financial subsidy towards respite care, so that carers can take a break.

Anyone looking after a person with Parkinson's in Oxfordshire can apply.

See over for more details and how to apply, or visit our website:
oxfordparkinsons.org.uk/respite_care

CAN I GET SOME HELP SO I CAN TAKE A BREAK FROM CARING?

YES! The Oxford Branch of Parkinson's UK can offer financial support for ad-hoc respite care, up to an agreed financial limit.

Respite care can let carers take a break to do everyday things like going to the hairdressers or playing a round of golf.

You arrange your own choice of qualified and experienced carers. Following a successful application submission the Oxford Branch will reimburse costs incurred up to a pre-agreed financial limit. We anticipate

this will be enough to fund around 20 to 30 hours of care, but please be aware that costs can vary widely depending on your choice of provider and the type of care you need.

Anyone looking after a person with Parkinson's in Oxfordshire can apply. You don't have to be a Parkinson's UK member.

For more information and to apply, email respitecare@oxfordparkinsons.org.uk or visit our website oxfordparkinsons.org.uk/respite_care
